Anyone who knew Dr. Glenn Howard also knew that he was a passionate Rotarian for several decades. He devoted his retirement from [Pall Corp](#) to volunteering in his community, supporting the day-to-day function and service goals of not only Glen Cove Rotary Club, but also the Glen Cove Chamber of Commerce. His unmatched breadth of knowledge in Rotary, Chamber and local government made him an invaluable resource and liaison *to the community and beyond*. Considering his wit and wisdom, it's fair to say he was our very own Buzz Lightyear!

As a gesture of profound love and honor, Glen Cove Chamber has created a scholarship to perpetuate Glenn's great name for college bound kids.
